

REFLECTIONS ON YOUR RECITAL

Name _____ Date _____

Now that your recital is over, what are your thoughts?
Remember, if you made a few mistakes, it doesn't matter as long as you did your best. There will always be another recital.

1. What did you learn that you can work on for your next recital?
2. What did you learn about yourself?
3. What did you learn about the audience?
4. What did you learn about performance etiquette?
5. What was something about the recital that you really liked?
6. What would you change about your performance, if anything?
7. Did you play with expression?
8. Could the audience tell you were human, not a robot?
9. Did you feel like you had all the confidence required?
10. Will you write thank you notes to all who helped you along the way?

“Music is what feelings sound like out loud.”
